## Features

- Transfer hours of video onto DVD with your PC, then show on your TV
- Get excellent playback compatibility on DVD drives and players, thanks to HP's testing standards
- Expertly label your CDs and DVDs: after burning data, simply flip the disc and apply a precise, silkscreen-like label with the LightScribe direct disc labeling
- Edit video, organize photos, create slide shows, back up data, and create personalized labels with the included software
- Surprise family and friends with home movies on DVD or CD, beautifully labeled with your own creative touch
- Back up critical files

- Compatibility: desktop PCs only
